IMPORTANT! No Equipment profile is displayed until you conduct a search.

Search for **Model** and **Trade Name** by filling in either '**Model**' or '**Trade name**' and click on '**Search**' [The more characters of Model and/or Trade Name entered the faster and more precise the result]. Only the relevant profiles will be displayed.

You can refine the search by putting in both **Model** and **Trade Name**.

If you want to see all the profiles, you can click on '**Display All**'. The profiles will be displayed in 50 per page and you have to click on arrows (on the right hand side of the
